

1. Figured dimensions only to be taken from this drawing. All dimensions to be checked on site
2. This drawing to be read in conjunction with other Engineer's and Architect's drawings and the specification for works
3. Grid References are to Irish Transverse Mercator (ITM) Grid unless noted otherwise.
4. Maps attached to folios are not conclusive as to the boundaries or extents of a property (see Section 85 of the Registration of Titles Act 1964)
5. Tailte Éireann maps are only to be read at the scale at which they are issued. Where larger scales are used these are for context purposes only.

LAND REGISTRY COMPLIANT MAP

Scale 1:5,000

This map is provided to a standard required for lodgment with the Property Registration Authority (PRA) for the Registration of Transfer of part of a registered property. The extent of the property indicated is based on the property as mapped by the current Ordnance Survey Mapping informed by the map and / or description of the property in the deeds and / or documents provided by the client. Gordon White Consulting Engineers have not surveyed the boundaries of, or checked the legal title to, the site.

In accordance with the PRAI Guidelines for Practitioners:

1. Grid references are to Irish Transverse Mercator (ITM)
2. Ordnance Survey Detail shown in BLACK;
3. Non-Ordnance Survey Detail shown in GREEN;
4. Rights of Way are shaded in YELLOW
5. Where new boundaries for registration are coincident with current OSI topographic detail they are highlighted in BLUE.
6. Where new boundaries for registration are NOT coincident with current OSI topographic detail they are indicated by thin RED lines.
7. The centres of lines denote the correct field positions of the boundaries.

Extracts from the following Digital OSI Maps reproduced under licence:
